Montreat-Anderson College

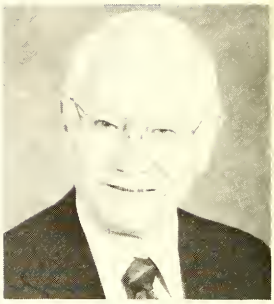
Montreat, North Carolina
1990-1991

All students are asked to bring this book to college with them and will be held responsible for knowledge of its contents.

Montreat-Anderson College does not discriminate in its educational program against any student on the basis of sex, race, religion, nationality, or handicap.



June 1990

Dear Student:

If you are entering Montreat-Anderson for the first time, welcome. If you are a continuing student, thank you for affirming your belief in this college by attending another year. Whatever the case, let me assure you that preparation is being made and will continue throughout the summer for your arrival in late August.

One of the most important decisions was made when you decided to attend here rather than some other college or university. During the coming weeks and months, you will make many more - some of great significance to your life, others not so important. At some point, if you have not already done so, you will choose a major field of study.

Other decisions will be faced in your academic work, spiritual life, social situations - too numerous to name. Life itself is, after all, a series of choices. In all of these situations, dedicated Christian faculty, resident directors, other staff, and the administration stand ready to be of help - whether through a word of encouragement or advice, listening, or, hopefully, by a good example. We care about you and the tough decisions you must make about your future and your daily life.

By deciding to attend Montreat-Anderson, you have indicated a willingness on your part to accept the responsibilities and challenges of being a part of a community in which Christ is honored. You will be counted on to share your talents and abilities to help shape the character of the coming school year in the right direction.

On behalf of the Board of Trustees, administration, faculty, and staff, welcome! Together we can make this the kind of college that will further the cause of excellence in education and the Kingdom of God. My door is open. Please come by whenever I can be of help.

Sincerely,

Silas M. Vaughn

June 1990

Dear Student:

Welcome to Montreat-Anderson College! Your quest for new beginnings takes place among those who share with you your highest aspirations. I am glad that you chose to become a part of Montreat-Anderson and it is my desire to always merit your trust and confidence.

Here you will form lifetime friendships and make long-term commitments. The unique adventure and challenge of living in a Christian academic community awaits you. You have new opportunities to grow intellectually, spiritually, socially, emotionally, and physically. Our purpose is to challenge and help students grow towards the persons God intends them to be. It is my hope that you will know and experience Jesus Christ as the source of all truth.

Montreat-Anderson's view of you as a very special and unique person stirs students to develop a keen loyalty to "their" college. People matter at Montreat-Anderson and no one is lost in the crowd. Whether in the dormitory among your friends, or in the classroom with professors, you will sense a spirit of personal involvement from your very first hours on campus.

We will celebrate our 75th anniversary in 1991 and by working together we can make 1990-1991 one of the best years ever. With numerous opportunities for campus involvement, you will find a calendar filled with events where you will join with fellow students, faculty and staff in keeping campus life flowing. The range of activities at Montreat-Anderson is limited only to the imagination.

As you begin your life at Montreat-Anderson, you will find it rich in opportunities for growth. Following a long tradition of service to others, members of the Montreat-Anderson community reach out to support you as you begin your own lifetime journey.

I Want to know you personally and invite you to come by and visit. May you enjoy happiness, success and God's richest blessings.

Sincerely,

Hayward Hargrove, Jr.

HISTORY AND PURPOSE

Montreat-Anderson College is a Christ-centered four-year College committed to presenting a liberal arts education with a Christian perspective. The college began in 1916 as Montreat Normal School, an institution founded by The Presbyterian Church, U.S., to prepare young women to become Christian teachers. In 1933 the school became a junior college and was renamed Montreat College; from 1945 to 1959 it was a four-year college for women. In 1959 it became a coeducational junior college and was renamed Montreat-Anderson College. Its founders established the college for the purpose of teaching "the Biblical view of the nature of man and the meaning of life." Today, that commitment to a Christ-centered education continues at Montreat-Anderson College.

In May, 1988, after a 30-year period, Montreat-Anderson College graduated its first seniors in the new four-year program with baccalaureate degrees. This program is designed to meet the needs of the current issues with which we must deal now in the near future.

Currently 48% of the faculty is composed of professors with earned Ph.Ds. State of the art laboratory equipment has been introduced, the library holdings have been increased significantly, and facilities are being upgraded.

The college seeks to educate the whole person--academically, spiritual ly, physically, and socially--and an atmosphere of friendliness and concern for others exists on campus, fostered and growing in commitment to Jesus Christ.

The Presbyterian founders of Montreat-Anderson College were of strong conviction and clarity of purpose. They proposed in their charter "that those attending the college receive a sound and thorough Christian education suitable to their needs." They made it clear that they were establishing a college in which students would receive "instructions in the Holy Bible." Over the years this original purpose of the founders to provide "...a sound and thorough Christian education has been continually affirmed, and the college today prizes its church--relatedness as that which gives it a distinctive stance in the educational world.

GENERAL INFORMATION

BELK CAMPUS CENTER

The Belk Campus Center is oriented to students' needs--social, academic, and spiritual. Major components of the building directly related to extracurricular activities include a mall, a study lounge, a recreation lounge, a snack bar, a campus bookstore, mailroom, and offices for student organizations and publications. The office of the vice president/dean of the college is located on the second floor. Also, in the same location, are the offices of the associate dean for student affairs and academic affairs. For the immediate future, the third floor of the center will be used for a variety of student activities, such as organizational meetings, informal gatherings, drama, dances, and movies. This space has been designed for eventual conversion into additional classrooms where needed for academic purposes.

The Belk Campus Center provides space for art studios, classrooms, and faculty offices. A music/choral classroom, and areas to display the students' talents in drawing and painting, as well as pottery, weaving, and sculpture, are provided.

The students benefit spiritually from the opportunities for individual and small group prayer and meditation provided by the prayer room. Nearby is a prayer porch overlooking a mountain stream.

A patio is located in front of the campus center with a 50-space parking area just across the street.

BULLETIN BOARDS

Announcements are made by means of notices on bulletin boards. Faculty members also use such notices to get in touch with students and students are responsible for reading notices. Students should form the habit of checking the main bulletin board in Gaither Hall daily and the boards in dormitories regularly. Approval to display Belk notices must be obtained from the Director of Student Activities.

CAMPUS BOOKSTORE

The campus bookstore is located on the first floor of the Belk Campus Center. Textbooks, paperbacks and supplies, etc., can be purchased along with other items of personal interest. Hours to be posted.

L. NELSON BELL LIBRARY

The library houses a collection of 53,000 books as well as collections of recordings, filmstrips, college catalogs, and some 350 current periodicals. Library hours will be announced each semester.

POST OFFICE

Students will have a permanent mailing address of M-AC
Box _____,
Montreat, NC 28757.

Student mailboxes are located in the mall area of the Belk Campus Center. Packages, registered mail, and mail orders must be transacted at the main U.S. Post Office on Assembly Drive.

LAUNDRY

A self-service laundrette is located next to the Montreat General Store in the Moore Center and is open daily from 9:00 a.m. until 4:30 p.m. Several washers and dryers are located in selected dormitories. Launderettes are also open in Black Mountain daily.

CHECK CASHING SERVICE

Check cashing privileges are available to all students and employees of Montreat-Anderson College. Students are encouraged not to keep extra money in their rooms but rather to open checking accounts locally or from home with established banks. Following are the conditions and limitations for individuals cashing checks at Montreat-Anderson College:

1. The maximum amount permitted for a personal check is $25. Checks for a higher amount may be accepted for merchandise.
2. The individual's address and telephone number must appear on all checks.

Returned checks will receive a penalty of $10 and a letter written requesting settlement within three days. If the account is not settled within three days, a hold will be placed on student records until both the check and the penalty have been paid.

Individuals who have two or more returned checks will be identified at all campus check facilities. They will then be instructed not to cash checks for these individuals without special permission from the business manager.

COLLEGE VEHICLES

College vehicles may be used, if available, for the following purposes only:

1. Medical:
   Take food to health center.
   Take students to see a physician or to the hospital. (The initial trip for each accident or illness will be provided at no charge to the student.)

2. Vehicles used for official school functions away from campus must be accompanied by an advisor or instructor. A notice must be sent in advance to the business office. (Fees for these trips are group rate.)

3. Individual student transportation may be made to and from airport, or bus stations. (These will be made if school transportation is available; otherwise, students must procure their own way to and from these destinations. Requests must be made at least 24 hours in advance.)

4. Keys to all college vehicles are kept in the business office and only authorized drivers will be permitted to pick keys up and drive the college vehicles. To obtain keys all clubs and organizations must get permission from the Director of Student Activities before they can pick up the keys.

5. Personal use of college vehicles is prohibited.

STUDENT HEALTH SERVICE

The Following Are Located In Whitehaven:

(1) The Health Center
(first floor)
(2) The Counseling Center
(second floor)

The Health Center

Staff:	Judy Keels, R.N.
Hours:	9:00-3:00 Monday through Thursday 9:00-1:00 Friday
Telephone:	669-7497

Students should come to the health center when ill or injured. A nurse will be in the office from 9:00 a.m. to 3:00 p.m. Monday through Thursday and 9:00 a.m. to 1:00 p.m. Friday. Students are requested to come to the clinic during these hours. A nurse can be located in the evenings by contacting the resident director in your dorm or a resident assistant. A nurse will visit a student in his room when deemed necessary.

Students are expected to and are responsible for maintaining a high level of health while at Montreat-Anderson College. The health center encourages and educates students to practice good health habits and adopt positive lifestyles which will help increase good health. Students are expected to be actively involved in making positive health choices.

No written excuses for classes missed due to illness or injury will be issued by the health center. Students should understand the absence policy set up by their individual professors and should be responsible to them for classes missed. The health center will notify the dean's office of the name of a student who has a prolonged illness or requires hospitalization. The excuse for classes missed due to this will be up to the professor.

All appointments with physicians should be made through the health center. The college nurse will refer students to specialists in Asheville when necessary. The student health center will endeavor to help a student make transportation arrangements to a given physician. There is a charge for an office visit and prescription medications.

Any emergency should be handled by the college nurse. She will make arrangements for the student to be taken to the emergency room in Asheville.

There are no regular visiting hours for students admitted in the health center. Roommates may bring mail and other items to the student with permission of the nurse.

Students are encouraged to use great care when using a sunlamp and when sunbathing. Classes missed due to carelessness will not be excused.

HEALTH AND IMMUNIZATION REQUIREMENTS FOR ADMISSION OF FRESHMEN AND NEW STUDENTS

In order to be **registered for classes** upon arrival on campus each student MUST have submitted a MEDICAL EXAMINATION REPORT AND IMMUNIZATION RECORD filled out in full and signed by a physician! North Carolina law REQUIRES **all students** attending a public or private college or university to submit proof of immunization PRIOR TO REGISTRATION. (Exceptions are allowed only for bona fide medical and religious reasons.) All records of immunizations must be certified either by a physician's signature, a Health Department stamp, or a copy of North Carolina School Health Record. DISMISSAL FROM SCHOOL IS MANDATORY UNDER THE LAW if these immunization requirements are not met.

DRUG AND ALCOHOL ABUSE PREVENTION PROGRAM

Montreat-Anderson College encourages any student with an alcohol or drug dependency to contact the college nurse, Mrs. Judy Keels, Dr. Anne Cromartie, or Miss Sally Slotterback for the time and place of a weekly rehabilitation meeting on campus. Non-students from the college community are welcome to attend these confidential meetings.

The college also brings in outside speakers to provide chemical abuse prevention education in Convocation.

In addition, community programs are readily available to students, faculty and staff.

Students are encouraged to make an appointment with Dr. Hargrove by leaving a message with the Student Affairs secretary.

All seniors are expected to complete a CAREER PLACEMENT DATA FILE. This file enables the Placement Office to send information on any student to a prospective employer. Keeping that file updated allows the Placement Office to assist the student, even after graduation.

COLLEGE LIFE REGULATIONS

"The Presbyterian Founders of Montreat-Anderson College were men of strong conviction and clarity of purpose. They proposed in their Charter that those attending the college receive a sound and thorough Christian education suitable to their needs."

You have chosen to attend a church college, established and supported by church people. You have become a citizen in a college community which seeks to live by Christian ideals and moral standards.

THE ADMINISTRATION

Responsible student leadership has established a tradition of effective student government at Montreat-Anderson College. The administration is grateful for this valuable contribution to the college community and pledges its support and counsel to those students charged with the responsibility of maintaining this tradition.

When any violation of college or student government regulation occurs, the case is usually considered in one of the student courts, except for those cases reserved for consideration by the administrative committee. Occasionally, however, special circumstances in a disciplinary case warrant action or consideration by the administration.

The guidelines for punishment of misbehavior used by the student government are supported by the administration; however in special cases the administration reserves the right to modify the decision on the disciplinary cases.

In accordance with this statement and because the administration is responsible for every facet of college life, the president of the college, the vice president/dean of the college, and the associate dean for student affairs reserve the right to handle special cases of discipline and reserve the right to review regulation changes made by the student governing councils.

THE ADMINISTRATIVE COMMITTEE

This committee is composed of two administrators, two faculty members, two students, and the vice president/-dean of the college as chairman. Its function is to hear about appeals from the student affairs' office and all cases involving the use of illegal drugs and sexual promiscuity.

ACADEMIC REGULATIONS OF THE COLLEGE

(Action by the Vice President/Dean of the College)

Students are expected to be familiar with all of the academic regulations stated in the college catalogue and are responsible for abiding by them. Other academic regulations may be stated by the dean of the college or the academic affairs committee.

TUITION AND FEES

Basic charges and special instructional fees for each semester are due and payable to Montreat-Anderson College on or before the first day of class for each semester. FINAL ADMISSION AND ENROLLMENT CANNOT BE GRANTED TO A STUDENT UNTIL SATISFACTORY FINANCIAL ARRANGEMENTS HAVE BEEN MADE WITH THE TREASURER OF THE COLLEGE.

REGISTRATION

Toward the close of each semester, students in conference with their advisors plan and pre-register for their course program fod the following semester. Failure to pre-register at the stated time will mean a possible loss of course selection and a late registration fee of $10.

Students should become familiar with the requirements of the four year degree program they plan to pursue and choose their courses accordingly. The registrar and faculty advisor assist in arranging programs of studies, but it is the student's responsibility to become familiar with and fulfill all requirements for their degree.

If students attend a course or section for which they are not officially registered, they will not receive credit for the work. If they do not attend a course or section for which they are officially registered and do not officially drop the course through the registrar's office, they will receive a grade of "UF" for that course.

GRADE POINT AVERAGE

Quality points are assigned according to the following system:

1 semester hour with a grade of A counts 4 points
1 semester hour with a grade of B counts 3 points
1 semester hour with a grade of C counts 2 points
1 semester hour with a grade of D counts 1 point
1 semester hour with a grade of I or F counts 0 points.

Quality point average is determined by dividing the number of quality points by the number of semester hours
attempted. For example: 3 semester hours of B (9 quality points), 6 semester hours of C (12 quality points), 3 semester hours of D (3 quality points), and 3 semester hours of F (0 quality points), provide a total quality point average (QPA) of 1.6

GRADING PERIODS

The final grade in each course is assigned and recorded at the end of each semester. In addition, midsemester progress reports are made by the faculty; unsatisfactory grades are reported to students. These midsemester reports do not become a part of a student's official record. Teachers of independent study courses may, at their discretion, submit NG (no grade) grades at midsemester.

ATTENDANCE POLICY PROCEDURES

If a student falls below 12 academic hours because of having been dropped from a class for failing to observe attendance regulations, or if a student has been dropped from one of the courses required for remaining in college (Bible 101 and 3 hours from Bible, 102, or 103 until successfully completed; and one-half semester hours of General Studies each semester enrolled) he may appeal in writing to the Academic Affairs Committee of the faculty within 24 hours of receipt of notification for permission to remain in school. Check with the registrar regarding the regulations on 12 academic hours or less.

CLASS ATTENDANCE

(Action by the Faculty)

Each professor will prepare his requirements for attendance in his classes and will distribute these in writing to the students, to the two associate deans and to the academic affairs committee at the beginning of each semester. Attendance regulations for General Studies will be posted at the beginning of each semester. It will be the responsibility of the professor to enforce the regulations and to include the manner of enforcement in the written description. Students wishing to obtain written excuses for appearance in court, death in the family, emergency absences, etc., should obtain these from the student affairs office.

Excused absences for a student involved in any college activity (on or off campus), must be submitted and approved by the office of the Vice President/Dean of the College from all faculty and staff members.

In no case shall a student have more than 20% absences in any class. More than 20% absences will result in the student being dropped from the class with a grade of F. A student on academic probation should have no more than three absences in any course. If such a student has a fourth absence, regardless of reason, he will be dropped from the course with a grade of F. Students missing class due to disciplinary suspension will have absences counted, but will not be dropped from that class.

Registration in a course obligates the student to be regular and punctual in class attendance beginning with the first meeting of the class. Absences will be counted from the first day of classes. The responsibility for work missed because of unavoidable absences rests entirely upon the student.

DAY STUDENTS

(Action by the Office for Student Affairs)

When experiencing travel difficulties with breakdowns or bad weather, call the student affairs' office in advance of an absence.

This group shall select a representative to SGA at their first regular meeting in the fall.

ACADEMIC PROBATION AND SUSPENSION

(Action by the Faculty)

Academic Eligibility

Full-time students are required to maintain a specified quality point average. Failure to meet these standards will result in suspension.

Sem. hrs. attempted	Minimum Q.P.A.
0-59	1.5
60*-89	1.75
90-119	1.9
120-or more	2.0

*Students working on associate degrees must achieve a Q.P.A. of 2.0 in order to graduate.

A student whose quality point average at the end of any semester falls below the required minimum will be placed on academic probation for the next semester. If at the end of that semester the quality point average is still below the required minimum, the student will be placed on final probation for the following semester. If the necessary quality point average has not been achieved by the end of final probation, the student will be suspended.

Students on academic probation must attend evening study halls regularly and will not be allowed to participate in any major extracurricular activities, which are defined generally as activities requiring participation more than once a week. Intramural sports are exempted from this regulation since this does not involve regular practice with the written permission of the dean of the college. No student on academic probation will be allowed to represent the college in any way. A student on academic probation will not be permitted to loan, borrow, or use a motorized vehicle without permission, except on weekends.

The administration reserves the right to suspend or drop a student from the college because of poor scholarship. Any student who fails to meet the requirements of academic probation status will be suspended without refund of fees.

Academic Suspension may occur if:

1. a student has academic probation status at the end of two consecutive semesters,
2. a student is dropped from a required Bible course,
3. a student fails to meet attendance requirements in General Studies.

A student who is suspended by the dean of the college has the right of appeal to the academic affairs committee; a student who is suspended by the academic affairs committee has the right of appeal to the dean of the college or to the president. Persons suspended must leave campus within a specified time and not return during the period of suspension without writ-

ten permission from the associate dean for student affairs.

Any student who is suspended for academic reasons may seek re-entry by reapplying to the college after one regular semester and if readmitted, may be placed on academic probation. Work undertaken in summer school and averaged into the previous semester's work will be considered in evaluating a student's probationary status.

PLAGIARISM

(Action by Honor Council)

Plagiarism is the representation of another's words or ideas as one's own. It applies to verbatim quotations and paraphrases equally. The plagiarized source may be a book, magazine article, or another student's paper, or even his/her ideas.

Plagiarism violates the fundamental trust underlying all academic work, that the work be the product of the student who submitted it.

REQUIRED COURSES FOR CONTINUING IN SCHOOL

Full-time students and /or resident students who are not enrolled in the required courses for remaining in college and who have not completed work in them will be subject to suspension from the college.

All full-time students and/or resident students must be registered for the following courses until they have successfully completed the requirements in them: Bible 101 and 3 hours from Bible 102, or 103, and one-half semester hour of General Studies per semester.

WITHDRAWAL FROM THE COLLEGE

A student withdrawing from the college for any reason must obtain a withdrawal from the registrar's office and return it properly completed. If the withdrawing student fails to follow this procedure, he will not be entitled to an honorable dismissal. Full charges will be made and no refunds given to students who fail to complete the withdrawal form.

If the withdrawal occurs after the last day for dropping courses, a grade of "WF" will be recorded for each course unless the academic affairs committee rules otherwise or unless the academic affairs dommittee rules otherwise or unless the withdrawal is due to certified medical reasons.

Further academic regulations and policies are found in the official academic catalog of the college and students are responsible for complying with these regulations and policies.

THE FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT OF 1974

(Action by the Office of Student Affairs)

This act grants to all students in secondary education the right to inspect, to challenge, and to a degree control the release of information about a student in their files.

1. The request must be in writing on forms provided in the student affairs' office. The college has 45 days to comply with each request.
2. Following access, the student (or parent) may request a hearing to challenge the contents of a record.

The associate dean for student affairs will arrange the time and place and notify the student (or parent) of such.

3. Except under court order will the information within a student's file be released without the written consent of the student. This provision excludes the custodian of the file.
4. Anyone properly looking at a student's file must put a signed explanatory form therein.
5. This Student Handbook, mailed to all students at their homes, complies with the requirement that students (or parents) be duly notified of their rights.

STUDENTS FAILURE TO REPORT TO A SPECIFIC OFFICE ON CAMPUS

DORM LIVING

RESIDENT DIRECTOR

To assist residents in developing healthy self-governance, the college provides each hall with a resident director along with the resident assistant. The RD lives in the apartment located on the first floor and is available for personal counseling as well as consultation in matters pertaining to the operation of the dormitory. His/Her selection is based on qualifications that include a model of Christian character, a demonstrated ability to administer organizational programs and a pronounced interest in working with college students.

RESIDENT ASSISTANTS

Resident assistants are selected each spring to work with students on a given floor in each dormitory for the following year. They have the meaningful challenge of helping to involve fellow students in a variety of activities and experiences designed to make resident living more conducive to healthy growth and development. Therefore, they are selected in part on the basis of their Christian

witness, their ability to manage their own affairs while helping to organize the affairs of the dorm, and a demonstrated rapport with fellow students. RA's are available to help you with personal problems, for guidance and support.

ISSUANCE OF KEYS

Each student is given a key to his room before he moves into it. To receive the key, you must acknowledge receipt of your key in writing. Failure to return your room key or loss of key when checking out of your room will incur a charge of $5.00 and the withholding of grades/transcripts until the charge is paid. If a key is lost during the school year, let your resident director know and he will have it replaced. **Keep your door locked at all times when you are away from your room.** The college cannot be resonsible for the loss of students' personal belongings from their rooms.

ROOM FURNISHINGS

All residence halls are furnished with single beds, chairs, desks, dressers or drawer space, and clothes closets. **Each student must provide his own wastebasket, linens, blankets and pillows.** Some students find it desirable to bring with them a bookcase and an additional study lamp. Curtains or blinds are provided in each room.

Window dimensions are:

MA Hall	**width--97'' and height--57'' closets use long curtain size (approximate size of shower curtain)**
McGregor	**width--74'' and height--62''**
Davis	**width--80'' and height--67''**

All furniture is to remain in each assigned room. No lofts are permitted to be built in dorm rooms.

Keys for rooms **will not be issued** prior to the opening of the dormitories.

There are certain college holidays when the residence halls are closed. Prior to the beginning of these holidays, the director of residence life, in consultation with the college administration, will set a time and date when the buildings must be vacated. These college holidays are:

Fall mid-term break
Thanksgiving holiday
Christmas holiday
Spring mid-term break

During holidays, students may leave their clothes and personal items in the building. Prior to summer school, all personal property must be removed from the building. There are no storage facilities available on campus. The college cannot be responsible for any personal property in the residence halls at any time. The college reserves the right to use the residence halls during college holidays for the purpose of college housing.

PRIVATE ROOMS

Private rooms will cost $316.50 per semester plus the normal charge for a room which is $633.00 per semester. A private room is available only on the basis that such rooms exist after all students have been housed. Should a double room lose one of its occupants during a semester, you will be asked to consolidate within two weeks or pay the additional charge for a private room. This creates a standard of equity for students already renting private rooms.

ROOM CHANGES AND CONSOLIDATION OF ROOM

No person may take up residence without having been assigned a room. Failure to abide by this rule will result in a $10 fine. Room changes are discouraged but may be permitted after two full weeks of a semester have elapsed. To initiate a change, secure a "Resident Hall Room Change Request" form from the director of residence life is required before the new room assignment is effective.) Your resident director will notify you of the decision concerning your room change.

RENTER'S INSURANCE

Some students' valuables and belongings are covered for loss and theft by their families' homeowner's insurance policy. It is advised that each student inquire as to whether he is covered by such a policy. If not, it is highly recommended that a "renter's insurance policy" be purchased through a local insurance company or before he arrives on campus. Such a policy can be purchased for a reasonable amount.

ROOM SAFETY AND APPLIANCES

Due to health and safety regulations, no multiple electrical outlets may be added to existing sockets. you may use hot pots, popcorn poppers and compact microwaves, but **no ovens or hot plates** may be used for cooking. Refrigerators must be disconnected during vacation periods and **all** food must be removed. No other cooking is allowed in dormitory rooms.

If students desire to supplement heat in rooms, consult your resident director for permission.

ROOM DECORATIONS

(Action by Dorm Council)

It is expected that the student will display on the walls of the rooms, the doors, and the hallways only such pictures and decorations as are in accord with the ideals and moral standards of the college. Therefore, offensive pictures or decorations such as nudity, illegal drugs, alcoholic beverages, satanic decorations, or street signs may not be displayed within the room or in the window. Such observations should be reported to the resident director of the particular dormitory. R.D's and R.A.'s reserve the right to confiscate inappropriate material.

ROOM CLEANLINESS

Room inspections are held periodically.

It is expected that you clean your room regularly. Do not sweep trash into the hall and leave it there. If a student's room fails to pass room inspection, he/she is given 24 hours to make it acceptable or receive room restriction until it is acceptable.

If you have any food in your room, keep it in a tightly-closed container.

The janitorial staff is responsible only for the public restroom facilities, lobby and public areas of the residence halls. Private and semi-private baths must be cleaned at least **weekly** by students.

ROOM DAMAGES

Occupants of dormitory rooms will be responsible for the condition of the room and its contents, including furniture, floors, walls, windows, doors, closets, carpet, etc.

Do not place posters on the walls with nails, glue, double stick foam or putty. USE ONLY MASKING TAPE. No nails are to be driven in the walls or woodwork for any reason.

Do not write or draw on college property.

Any damage to school property will result in a fine and possibly disciplinary action.

No furniture is to be moved out of the dormitory rooms. Also, furniture in your room which is bolted or secured to walls or floors is not to be moved out of its original position.

ROOM ENTRY

The college reserves the right to enter a student's room for purposes of housekeeping inspection or for making repairs. (When authorized personnel do enter a student's room, every attempt will be made to contact the occupants to enable them to be present at the time of entry. This right does not include the privilege of searching the student's room *unless* the student gives permission, **or** unless a member of the administration or their representative is present.)

ROOM SEARCH AND SEIZURE

(Action by the Associate Dean for Student Affairs)

The administration reserves the right to allow deans, resident directors, resident assistants and other designated personnel to enter any dormitory room, whether occupied or not. It shall not be necessary for any of the above mentioned employees to refrain from entering a student's room without invitation. Rooms must be inspected regularly to assess their cleanliness and other health standards established by law. No room will be searched or any materials seized except illegal goods or stolen property without the presence of a member of the adminstration or their representative present, or without the consent of the occupants(s).

TELEPHONES

All of the floors in the dormitories have public pay phones. Phone numbers are listed on the last page of this handbook.

Students on academic probation or disciplinary probation may not participate in major extracurricular activities if they require participation more than once a week. Intramural sports are exempt from this regulation. The NJCAA standard for eligibility to participate in athletics shall be followed for all varsity sports.

Membership in clubs and organizations varies depending upon type of activity. The eligibility requirements for participation in each of these is established by an advisor or coach at the beginning of each year or season. Generally, tryouts are conducted where talent is a prerequisite.

Student leaders are encouraged to campaign actively and seek election of office in campus clubs and organizations. However, winners of major offices may not be chosen resident assistants and/or dorm presidents. Students are discouraged from holding more than one major office on campus. ACADEMIC QUALIFICATIONS FOR STUDENT LEADERS

The Intramural department is open to suggestions and will offer additional activities when enough interest is shown.

CAMPUS LIVING

ALCOHOLIC BEVERAGES

Montreat-Anderson College is opposed as a matter of principle to the use of alcoholic beverages by students.

Because of the diversity in students' Christian convictions regarding alcohol use; the presence of students who struggle with substance abuse and addiction; and, because M-AC student leaders must model unquestionable behavior before their peers, the college administration expects that all student leaders refrain from using alcohol even if 21 years or older while enrolled as a student at Montreat-Anderson College. This would not apply to a student leader when at home with family. However, it is hoped every M-AC student would diligently seek to be the very best representative of the college on or off campus.

The North Carolina Safe Roads Act prohibits students under age 21 from the purchasing, possessing or consumption (which includes being under the influence) of alcoholic beverages.

Students are responsible for seeing that their guests and/or dates abide by the regulations.

Any misconduct by a student involving the use of alcoholic beverages whether ON or OFF campus will result in a minimum of disciplinary probation or a maximum of expulsion. In addition, several hours of community service will be required as determined by the Office Of Student Affairs.

Off-campus consumption that adversly reflects upon the college will

result in disciplinary action. The above regulations apply equally to day students.

A reminder to students, it has been determined that the consumption of alcohol and/or drugs, impairs the ability to drive a motor vehicle or operate machinery, and can be dangerous to your health.

POSSESSION OR USE OF ILLEGAL DRUGS

(Action by the Administrative Committee)

Students who possess, consume, or sell any drug, on or off campus, are in serious violation of college regulations. Such persons denying charges will be tried by the administrative committee. The administrative committee will have the responsibility to review all cases concerning drugs. Burning of incense in the residence halls is prohibited. Action will range from rehabilitative consultation to expulsion.

The administration seeks to handle student misconduct in a redemptive manner where possible. The goal is for the student to learn from his or her mistakes and reconcile behavior with the college's expectations.

The administration reserves the right to suspend or require students to withdraw from Montreat-Anderson College for reasons of serious misconduct or failure to comply with the basic principles and purposes of the college. The administration further reserves the right to suspend students whose character and morals are not in keeeping with the ideals of a Christian college or whose influence is detrimental to it. The duration of suspension may range from one week for lesser violations to permanent expulsion for major offenses. There will be no refund when dismissed for disciplinary reasons.

Any student convicted in public court of law will be subject to investigation and possible disciplinary action.

SEXUAL BEHAVIOR

(Action by the Associate Dean for Student Affairs)

The road and area immediately behind Davis, McGregor, and Montreat-Anderson dormitories are off limits to members of the opposite sex at all times. Vehicle traffic is prohibited in the area behind McGregor and MA-Hall.

LAKE SUSAN

This small lake located in the center of campus is primarily a beauty spot and used for boating and fishing only. Swimming and sunbathing are not allowed at the lake. Students must also stay off the lake when frozen. Students must not engage in throwing one another in the lake. Disciplinary action may be necessary in order to avoid injuries.

SUNBATHING

Sunbathing is permitted in the following areas: swimming pool and the athletic field. It is not allowed on the roofs of any building.

DAMAGE TO COLLEGE PROPERTY

(See College Regulations, Respect for Property)

Resident students are held responsible for any damage to their room or dormitory, and damage charges will be made to the occupant involved.

All students are responsible for college property and will be held accountable.

RESPECT FOR PROPERTY

(Action by the Administration Committee)

It is expected that each student will keep the room he/she occupies clean and orderly. Upon written notice, students with unclean rooms will be given 24 hours to remedy the situation. Rooms will be inspected regularly by the resident director and the resident assistant(s) and a report made to the Director of Residence Life of students who are habitual offenders. Habitual offenders will be reported to the Associate Dean for Student Affairs for further disciplinary action.

Any damage to a room or its furnishings will be paid by the student involved, if known, or by the students occupying the room.

Damage to any part of one of the college dormitories (other than the individual student rooms) must be shared equally by all residents of the particular dormitory involved when the responsible party or parties are not apprehended. The proportionate share shall be the total cost of the repairs of replacements divided by the total number of residents in the given dormitory at the time of the damage or destruction.

Any student guilty of vandalism (deliberate destruction of property), shall be subject to disciplinary action by the administrative committee. He/She shall be subject to disciplinary probation, suspension, or expulsion. In every case in which his/her parents are providing financial support, they shall be informed of the offense and the action taken.

Property and buildings on or near campus not owned or supervised by the college are off limits to the student unless written permission has been given from the owner with prior approval from the student affairs' office.

The vending machines are not to be tampered with or abused. Exercise good judgment in using them. If a machine does not work, report the matter to your resident director and place an out-of-order sign on it.

Students are to observe the property rights of others. Violation is an Honor Court Offence.

"Do Not Disturb" signs are to be respected and failure to do so will result in Disciplinary Action.

The lobbies are for the enjoyment and relaxation of residents and guests. Please keep them clean and respect the rights of others.

The damage or removal of lobby/lounge furniture is not permitted. Persons caught will be disciplined and may be prosecuted.

During visiting hours in the lobby/lounge, please wear appropriate clothing. Night attire such as robes etc. are not to be worn until after closing hours.

GENERAL BEHAVIOR

(Action by the Administrative Committee)

At Montreat-Anderson College the individual is given as much freedom in the exercise of his rights and responsibilities as is consistent with the well-being of the entire college community. However, the college reserves the right to suspend or dismiss any student whose character and morals are not consistent with the ideals of the college whether on or off campus.

CAR REGULATIONS

(Action by Office of Student Affairs)

All student automobiles or other motorized vehicles (whether operated by resident or day students) shall be registered with the student affairs' office. Upon registration, the student will be issued a bumper sticker.

Vehicles without a sticker may not park on the college premises. First violations are a $5.00 fine.

When a student receives a parking permit, he is expected to allow his car to be searched by the security officers or by **an authorized officer of the college administration.** Refusal to allow a car to be searched will result in the revocation of the student's right to keep a car on campus.

Students on disciplinary probation may not loan, borrow or use a car or motorized vehicle on campus. Students on academic probation may use vehicles only on weekends beginning after last class on Friday--before first class on Monday.

All other resident students may have a car on campus provided they secure a bumper sticker from the office of student affairs. Any vehicle issued a permit for campus use must be the possession of the student making application or of someone in the immediate family of that student. Once a permit has been issued to a vehicle, that permit may not be

transferred to another vehicle.

FILM AND MEDIA REVIEW

Montreat-Anderson College endeavors to promote spiritual, physical, intellectual and social growth for students. One dimension of the social and intellectual programming involves the presentation of films and videos.

A reviewing and recommending body consists of the director of student activities, members of the student activities committee and a resident director. This body carefully considers the moral, intellectual, spiritual, and social impact of films and videos when choosing films:videos to be shown to the student body. Also important are the public status and reputation of the student body and Montreat-Anderson college, the outside considerations such as the conditions surrounding the showing and advertising of the film/video.

G-rated films are approved without review. PG-rated films will be approved subject to supporting information that can be found concerning the morally objectionable segments. There must be sufficient social and intellectual value in showing the films. R-rated films are considered inappropriate for campus viewing.

The same principles of concern for the appropriateness of the film/video to be presented must be met by the residence halls, clubs, organizations, staff, faculty, administration, and individual students in both public and private areas of the college campus.

FUND-RAISING AND SOLICITATION POLICY

All fund-raising projects and solicitations on campus must be approved in advance by both the Student Government Association and the Associate Dean for Student Affairs. Normally, the student activity fee is expected to cover the cost of student organizations and activities.

SOLICITATION POLICY

Off-campus salesmen are not permitted to sell door-to-door. Any door-to-door soliciting of this type should be reported immediately to your resident director and appropriate action will be taken by the associate dean for student affairs.

FOOD SERVICE POLICIES

(Action by the Office of Student Affairs)

The college is under contract with Epicure Management Services, Inc. for food services. All resident students are required to take the college cafeteria food plan. Generally, no line cutting by students is permitted. Faculty and staff also are expected to refrain from cutting line except in unusual circumstances. Taking utensils from the cafeteria without permission is an Honor Council offense.

I.D. cards are required to be shown prior to each meal.

Each student is entitled to seconds except on certain main course items such as meats. All portions of food are on a personal consumption basis. A student may not elect to give portions of food to others.

Any misconduct or abuse of the above regulations may result in disciplinary action by the associate dean for student affairs. Any recommendations or suggestions regarding food service should be made directly to the manager of the food service or the Student Government Association Food Committee.

THE HONOR CODE

Under the Honor Code, you, the student, are on your honor not to lie, cheat, or steal, and, if you do, you are on your honor to report yourself within 24 hours to a member of the Honor Council. If you see another student lying, cheating or stealing, you are on your honor to report him, with the option of asking him to report himself to a member of the Honor Council or to report him to an employee of the college.

The Honor Code places upon you a dual responsibility. First you are responsible to see that you conduct yourself in accordance with the Honor Code. Secondly, you also are responsible insofar as possible to see that your fellow students do likewise. This system places considerable responsibility for self government on the students themselves. This college believes that mature students are capable of handling this serious responsibility. You are the governing system and you are responsible for its success.

THE HONOR PLEDGE:

I PLEDGE WITH GOD'S HELP TO UPHOLD THE HONOR CODE OF MONTREAT-ANDERSON COLLEGE. I STATE MY ACCEPTANCE OF THE PRINCIPLES EXPRESSED IN THIS HONOR SYSTEM AND PLEDGE TO LIVE SO AS TO MAKE IT MEANINGFUL TO MYSELF AND TO THE COLLEGE COMMUNITY.

THE HONOR SYSTEM

Life at Montreat-Anderson College is based on the belief that the ideal community is made up of honorable individuals. Mutual trust and consideration are esential to such a community, and it is for these that we strive.

Each student and faculty member has a responsibility for himself and for every other member of the college community. The failure of one person to live honorably is in part the failure of all. The movement of one individual toward complete understanding of Christian living is a step toward honorable living for the whole college.

For this reason the students at Montreat-Anderson have accepted the "Honor System," under which each student agrees to try to discipline his own life and to be ready to help all others to discipline their lives toward the goal of a community in which each member will merit trust and respect. It is in large part due to the acceptance by faculty and students of the Honor System as a way of life, that the "Spirit of Montreat" is a reality, not only on the campus, but wherever former Montreat students are found.

Composed of students and faculty advisors, the Honor Court is principally interested in help for offenders of the Honor Code, rather than in punishment. Although fellow students might prefer to counsel rather than report those who fail to uphold the Honor Code, it is important that the responsibility for deciding upon what is best for the student and the school rest with the Honor Court, which has been charged with dealing with weaknesses in the community.

ALMA MATER

How dear to our hearts will the memory be
Of the days we have spent in thy care,
When within thy dear halls we have lingered awhile
All thy gifts and thy blessings to share.
So the memory of thee will ever remain
While we think of each dear hallowed scene;
And the bonds of true loyalty, blest through the years,
Our affections will ever keep green.

Then, to thee, Alma Mater, we'll ever be true,
Though the coming years scatter us far;
Any ideals you have taught us will ever be bright
Shining out as our life's guiding star.
We will cherish thy name wherever we roam,
And forever thy praises repeat.
Hail to thee, Alma Mater, our happiest days
Are the days we have spent in Montreat.
